Exhibitor Testimonials

Thanks to the Grain and Oil Machinery Exhibition for providing our grain machinery industry with an efficient and convenient display platform. Through face-to-face discussions and communication, we can effectively show the functions, features, and advantages of our products to purchasers nationwide, enhancing their understanding and trust in our company's products.
—Jihao Jiang, Nanyang Qifeng Machinery Co., Ltd.

This year's exhibition has provided us with opportunities to reconnect with many old clients and make new acquaintances. The organizer actively invited professional buyers to attend, facilitating cooperation and collaboration between our company and purchasers from across the country. We extend our special thanks to the Grain and Oil Machinery Exhibition for providing such an excellent platform!
— Rongmai Chen, Regional Manager, Zhangzhou High Made Machinery Electronics Co., Ltd.

I think IGME 2023 was very successful, as the on-site visitors far exceeded our expectations. Over the three days, we had the opportunity to engage with professional buyers from across the country, discussing potential collaborations at our booth. Additionally, we also connected with some suppliers in the industry chain, expanding our network and presence within the industry. Looking forward to IGME 2024. See you next year!
—Yingzhong Tan, Sales Manager, Nanjing Divawind Magnetic Technology Co., Ltd.

Concurrent Activities

Grain & Oil Award Ceremony

The Grain & Oil Award Ceremony aims to highlight the core values of brands and is committed to encouraging companies to create and innovate more high-quality brands and products. Over a hundred industry authorities, including members of the Chinese Academy of Engineering, influential leaders, experts, scholars, and representatives from enterprises, attended the awards ceremony. By recognizing outstanding brands, the ceremony effectively promotes the healthy, safe, and innovative development of the food, grain and oil industry.

Food and Packaging Machinery Industry Equipment Manufacturers and Users Matchmaking and Exchange Meeting

In order to facilitate better resource integration between equipment manufacturers and users, The 13th Guangzhou International Grain and Oil Machinery and Packaging Equipment Exhibition will concurrently host an offline business matching event. This event aims to create a convenient space for business exchanges between buyers and exhibitors, enabling more efficient results within the limited exhibition period.
