The 14th Guangzhou International High end Drinking Water Industry Expo is guided by units such as The Fine Water Society and the Berkeley Springs International Water Tasting Commission, and hosted by Yifan Exhibition. It is committed to building a comprehensive exhibition platform for the industry to exchange technology, promote cooperation, expand upstream and downstream trade, and enhance enterprise visibility.

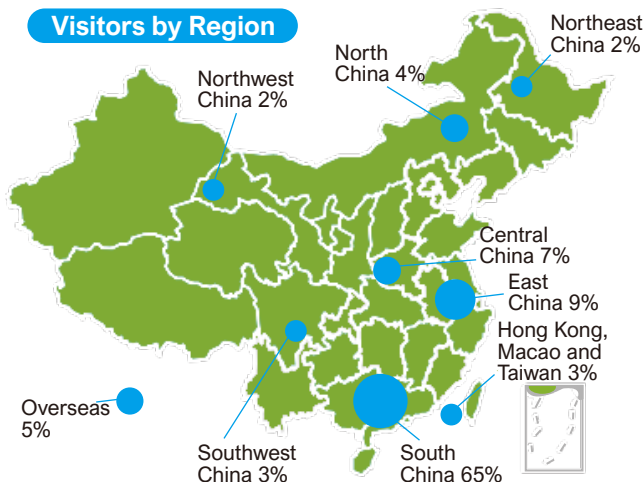

The Guangzhou International Water Competition will be held concurrently with the exhibition. The competition has been successfully held and now its 11th edition. Previous competitions have gathered dozens of brands from over 20 countries, including China, France, Italy, Canada, New Zealand, Australia, United States, Switzerland, Czech Republic, and so on, to compete for the awards.

Why Exhibiting

- ◆ Holding with the 34th China (Guangzhou) International Health Industry Expo (IHE 2026) at the same time, to create an authoritative and professional business procurement feast for the high-end drinking water industry, and help exhibitors expand the market.
- ◆ Gathering high-quality water source and brands from French, Poland, Turkey, Italy, etc. And even more local brands from Xizang, Guangxi, Changbai Mountain, Guizhou, Hunan and HeiLongJiang.
- ◆ Telemarketing and email campaigns to 350,000 databases to ensure you connect to agent, import & export trading company, distributors, star hotel, coffee shop, catering, club, confinement center, etc.
- ◆ Invite VIP buyer groups and associations in order to match one-to-one business meetings, which will help you get orders more accurately and efficiently.
- ◆ More than 20 high level forums and ceremonies. Along with the 10th Guangzhou International Water Tasting Competition, providing innovative opportunities for your brand exposure and establishing sales channels.
- ◆ Advertising by more than 300 professional media and 100 mass media, promoting your products widely.

Concurrent Activities

The 11th Guangzhou International Water Tasting Competition is committed to customizing global fine water for global high-end water consumers, promoting the transformation of the high-end water industry, leading the development trend of the industry, and creating a global high-quality water source brand exchange platform. The competition will be expected to bring together 150 high-quality water brands from nearly 20 countries and regions including the United States, France, German, New Zealand, Australia, Canada and China to compete for the three categories of "non-carbonated mineral water", "carbonated mineral water", and "flavored mineral water". The juries are the water tasting experts from China and all over the world. They will give score by blind tasting.
