The Guangzhou International Grain & Oil Machinery and Packaging Equipment Exhibition(IGME) held from 2011, co-located with the China(Guangzhou) International Edible Oil Expo (IOE), the Guangzhou International high-quality Rice & Brand Grains Exhibition (IRE), and the China(Guangzhou) International Health Industry Expo (IHE China). As a premier event in the sector, IGME is committed to providing a comprehensive platform for technical knowledge sharing, business partnership development, supply chain integration, and brand promotion—bringing together the industry's most authoritative and professional sourcing experience.

Why Exhibiting

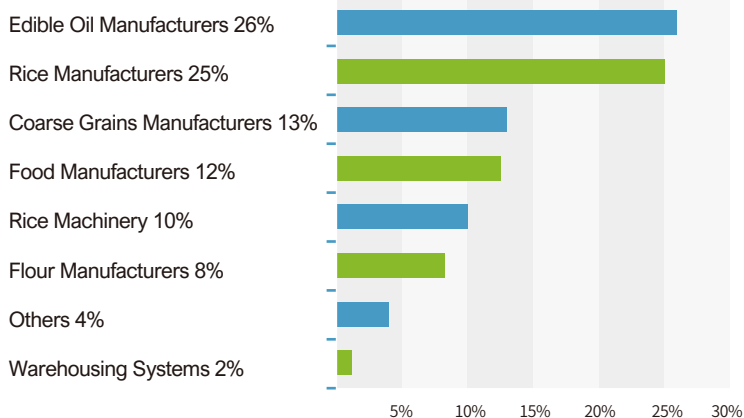

- ◆ A premier professional exhibition platform for grain, oil, and food machinery in South China.
- ◆ The exhibition is held concurrently with IOE (International Oil Expo), IRE (International Rice & Grains Expo), and IHE China (International Health Expo), dedicated to building a high-quality international trade exchange platform for the grain and oil industry.
- ◆ Bringing together leading brands such as Huatai Grain & Oil Machinery, Jiamai Automation, Songsheng Packaging, Zhongke Optoelectronics, Zhangzhou Jialong Technology, and Nanyang Qifeng, showcasing a wide range of grain machinery products.
- ◆ Targeted SMS, email, and phone invitations to a database of 350,000 contacts, reaching a vast number of professional buyers including edible oil manufacturers, beverage producers, and rice and coarse grains producers.
- ◆ One-on-one business matching sessions with invited VIP buyer groups, helping you close deals precisely and efficiently.
- ◆ Over 20 high-end forums, competitions, and events, offering dialogue with industry elites and comprehensive insights into industry frontiers.
- ◆ Intensive multi-channel promotion through 300+ professional media outlets and 100+ mainstream media outlets, ensuring broad exposure for your products.

Exhibitor Testimonials

As a long-time exhibitor of this event, we can clearly feel the efforts that the organizing committee has made for the development of our grain machinery industry. We are grateful to the Guangzhou Grain Machinery Exhibition for providing such an efficient and convenient cooperation and matchmaking platform, which enables us to fully showcase our products to domestic and international customers, maintain relationships with existing clients, and develop new ones.

— Nanyang Qifeng Machinery Co., Ltd.

"This exhibition attracted a large number of foreign buyers, confirming the international competitiveness and market potential of Chinese-made equipment. We appreciate the organizers' excellent visitor outreach and thoughtful on-site arrangements, which created valuable face-to-face opportunities for us to connect with both new and existing customers."

— Guangzhou Jinshengyang Technology Co., Ltd.

"We were impressed by the large number of overseas visitors at this year's exhibition—a clear testament to the growing global recognition of Chinese machinery and equipment. We are truly grateful to the organizer for the invitation and the seamless coordination, which allowed us to engage in valuable face-to-face meetings with both long-standing clients and prospective customers. This has greatly supported our strategy to strengthen our presence in South China and further expand into international markets."

— Wenzhou Bohang Machinery Co., Ltd.
